“Fallen, fallen is Babylon the great! She has become a dwelling place for demons, a haunt for every unclean spirit, a haunt for every unclean bird, a haunt for every unclean and detestable beast.”

Revelation 18:2b

The Ghost Town Of Evil

Revelation 18

22nd week of the series *Wake Up*

Chapter 18 portrays a vivid image of Babylon, the great symbolic empire of evil, being judged once and for all for her sins. For readers in the first century, this vision gave them a new perspective on the Roman empire. For us, how does it change the way we live in the midst of the empires of our day?
