Getting Out of Your Comfort Zone

Matthew 14:22-33

The world we live in, especially here in Silicon Valley, seems to worship personal comfort. As we'll see this morning, God has a much greater plan for our lives--a plan that involves stepping out of our comfort zone or, at times, being forced out of our comfort zone.

Next Week

We begin a seven-week journey through the book of Job called "Shattered: The Study of Job." We will meet a man who suffers loss in the most extreme way imaginable. As we walk with Job through his time of suffering, we will learn truths about God, about the world, and about ourselves that will strengthen our faith and drive us to Jesus Christ our Savior. Next week, Dan Westman will be preaching from Job 1-2.
